

LEICESTER ROWING CLUB

Trailer Towing Induction and Authorisation

Driver Name

Full Driving Licence Issued:

Number:

Category: Pre 01/01/97 , B , B+E .

MOT checked: Insurance checked:

Towing Vehicle Registration

Unladen Weight: kg, Max Towing Weight: kg (at 12% gradient)

For drivers licenced prior to 01/01/97 or drivers with category B+E licence the maximum allowable towing weight is the Max Towing Weight for the vehicle. For inexperienced towers this should be limited to 85% of the un-laden weight of the vehicle.

For drivers licenced after 01/01/97 the maximum allowable towing weight is the lesser of:

Max Towing Weight: kg (at 12% gradient) or

Un-laden weight of vehicle kg, or

For inexperienced towers 85% x un-laden weight of the vehicle kg, or

3500 kg – laden weight of vehicle kg = kg.

Max allowable towing weight for this driver/ vehicle combination (A) is: kg.

Max allowable trailer weight (B): Light Trailer 1200 Kg, Heavy Trailer 2000 Kg

If (A) is less than (B) insert here: kg, kg

Trailer un-laden weight: Light Trailer 650 Kg, Heavy Trailer 1150 Kg

Max allowable load: Light Trailer Kg: Heavy Trailer Kg

Boat Weights , Allowable overhang , Lighting and markers

Pre-tow checks

Co-pilot and rest breaks

Speed limits: Motorway 60mph, Dual Carriageway 60mph, Other Roads 50mph

Expenses

I confirm that I understand the rules and regulations regarding towing trailers and I will maintain my towing vehicle in a roadworthy condition and ensure that MOT and insurance are valid whilst towing.
