SAFEGUARDING CONSENT FORM

For juniors under the age of 18 attending training, regattas or Head Races away from Leicester Rowing Club.

Please ensure you have one of these forms with you for each child attending the event. You may be asked to produce it either in the event of an emergency or if the event is inspected with respect to its safeguarding provisions. You may use a different form or store the information electronically if you wish.

Event:

Name of child

Emergency contact details.....

Any medical issues which the coach should be made aware of

.....

Photographic consent

I have been made aware that my child is taking part in a public event and that photos or recordings may be made as part of the event which may also be livestreamed on the internet. If I do not want photos taken of my child, I have informed by child's coach who will inform the event organisers. In this case I am aware that as this is a public event, and whilst steps will be taken to prevent photography without consent in a public event, it is difficult to police and I am aware that LRC cannot accept liability in this case.
