

Leicester Rowing Club – Covid 19 Cleaning Products and Protocols

Wash your hands thoroughly before and after using the toilet facility, and be careful not to touch your face at all times.

Disposable gloves are provided for your use.

Please sanitise the toilet (including the bowl, flush handle and seat), and taps using the sanitiser spray provided, both before and after use.

Remember to wash your hands thoroughly with soap after using and sanitising the toilet, and ensure that you sanitise the washbasin too.

Dry your hands on the paper towels provided. **Do not use the hand dryer.**

Please dispose of any cloths, paper towels and gloves used immediately after use in the pedal bin provided. **DO NOT DISCARD USED CLOTHS, PAPER TOWELS OR GLOVES DOWN THE TOILET.**

Before leaving the facility please ensure that all the touch points have been sanitised, including the door handle.

Please be careful when using products and gloves provided – some people may be allergic to the materials used.
